Just a reminder that both churches are part of the Jefferson Ecumenical Ministerium Food Bank. If you would like to help feed families in our community please bring canned or boxed goods to church and place them in the altar area. They are truly a part of your response to God's actions in your life and should be seen. The food bank feeds about 40 families twice a month. If you would like to help let Pastor Paul know.

Prayer List

Doubs

Mary Jane Bartlett in a nursing home.
Suzanne recovering from shoulder surgery
The Plunkard family has a new great grandson. Information will be in next week's announcements

Jefferson

Lisa Pearre home following the birth of Lindsay Pearre
Derek, recovering from a neck injury and paralysis. He is moving his right arm.
Jo Dawson recovering from knee replacement
David Waple, awaiting results from a trip to a neurologist.

Many of you know that, Derek, a nephew of Wayne Harper was involved in a diving accident and is now hospitalized and paralyzed from the chest down. His family has been living at the hospital in Norfolk, Va. to be with him. Costs to do this are the room rent, food and gasoline. If you would like to help them defray the costs, please make your check out to your church and mark it for the "Derek fund" As money comes in we will send it to his family. Once he is moved to a rehab, we hope that this need will decrease. Until then, please give generously. - Pastor Paul

Something to Ponder

What is the purpose of your church?

A New Destination for Discipleship: Building the Baltimore-Washington Conference Center

The Baltimore-Washington Conference of The United Methodist Church, the regional body of nearly 700 United Methodist congregations will build a new 35,000 square foot office building and learning center to resource congregations and ministries in Maryland, Washington, DC, several counties in West Virginia and Bermuda. The conference, when possible, would like to use United Methodist sub contractors in the building project. There are a number of different contractors and services needed, some of which include: plumbing, concrete, electrical, drywall, painting, tile work, steel work, brick work, carpeting, furnishings, landscaping, and roofing. If you are interested in donating services or bidding on the project (will be handled through Turner Construction of Baltimore) or would like information on these matters, please communicate your interest right away by going to www.bwcumc.org and in the upper right corner click on *Conference Center Update*. There you will be able to complete an information form. BWC is an equal opportunity employer.
