Lisa and Glenna are working hard for us. Pictures will be taken Thursday Dec. 3rd. From 3:00 to 9:30 at Doubs church Family members not members of our church are still welcome to come and take advantage of the free 8x10. We will be passing around a sign-up sheet for families to let us know they will be participating and about what time they would prefer.

The appointments will be scheduled every 10 minutes and we will try to accommodate everyone's preference.

Pictures will be delivered before Christmas, so this could be a great Christmas gift for friends or other family members.

My Christmas catalogs are arriving every day with all sorts of goodies but the one that arrived this week is special. It is from The Heifer International project. What a great idea for a gift to a child or grandchild---you give a couple of bunnies or some baby chicks (in your child's honor) to a family who will use them and pass along the offspring to another needy family --perhaps even in a different country, To your parents or grandparents (who perhaps has last year's nightie or tie still in a box in the drawer) a gift in their name of a part interest in a sheep or cow to be used and pass along the offspring. It truly is a gift that keeps on giving. Next week there should be a list of animals or fowl or fish and the cost you can "buy" in honor of your friends or loved ones. The check would be made out to the church and we will send a check to Heifer International and will see that you get a card to send to the person you are honoring. You will make several people happy---the person receiving the animal, the person you have honored, the church will get "credit" for it and you will have a tax deductible gift.. Plus you will feel good about what you have done. A win-win situation Let's go for it!!! A very personal note--for many years Marvin and I gave these to our grandchildren and just last year our grown granddaughter told her grown up cousin "You know, I can't remember any of the gifts that Grandmom and Grandad gave me but I will always remember the animals" Now she and her husband are giving bunnies or chicks to their three young children---Truly a gift that keeps on giving.
